

Week #5 Let it snow

Week 5 features snowflakes. Buttons are made using one strand of black or brown to embroider the french knots. All of my sweaters will be knit in one piece with very little seaming if any at all. They are also made using only 3 double pointed needles. This is so much less awkward than using 4 or 5 double pointed needles on such a tiny garment.

Sweater is knit from the top down.

Sweater is approx. 3" tall

Size 2 Double pointed needles (set of 3)

Sport Weight, dk, lace or DMC #5 pearl cotton weight yarn. 30 yards for main color and 2 yards of white.

miniature doll coat hanger or Large paper clip to make your own coat hanger.

of yarn. Knit to the end.

Row 21, 23, 25, 27: K across

Row 29 and 30: K1, P1 across

Bind off all sts in K1 P1 ribbing.

Sleeves:

Slip 16sts for first sleeve from waste thread onto 2 double pointed needles (8 sts on each). Hold the 2 needles parallel with the working yarn on the back needle. With a 3rd double pointed needle begin knitting on the first stitch on the front needle, K to end of first needle, turn so that stitches from second needle are facing you and join, knitting stitches from second needle, 1 round completed.

Knit 7 more rounds.

Next 2 rounds: k1, p1 across both needles.

Bind off all stitches in k1 p1 ribbing.

Repeat for second sleeve.

Finishing:

Weave in all ends and stitch up any holes under the armhole

Sew up 3/4 of the fronts together by overlapping the right side onto the left side, leaving about 3/4" to 1" open at the top. Using black or brown yarn, make buttons by embroidering french knots evenly spaced as shown in picture above.

Add miniature coat hanger and hang on tree.
