

Week #20 Over the Moon

Week #20 features Starry nights. The Variegated yarn is from Evilenabler on Etsy. The sweater is made using only 3 double pointed needles. This is so much less awkward than using 4 or 5 double pointed needles on such a tiny garment. The star is embroidered after the sweater is knit.

Sweater is knit from the top down.

Sweater is approx. 3" tall

Materials:

Size 2 Double pointed needles (set of 3)

Sport Weight, dk, lace or DMC #5 pearl cotton weight yarn. 30 yards of variegated yarn for main color and 5 yards of white for moon and star. Star is embroidered after sweater is knit. Variegated yarn used in sample is hand dyed lace weight yarn from evilenabler.etsy.com
